Por Los Niños

Today, being the first Sunday of the month, we will take up a second collection for Por Los Niños. This is a work of Family Life Missions (FLM) based in Honduras, one of the poorest countries in the Western Hemisphere. It consists of a campus with safe and clean homes for our children, an elementary school, and loving houseparents devoted to raising, teaching and nourishing Honduran Christian leaders. In a country where 80% of the population lives without clean water, and 83% receive no more than a third grade education, the village is an example of hope and the transformative power of Christ's love.
